

4th Thailand Open Shooting Championships 2011

Dear all,

Due to the unpredictable situation of the flood in the country. We expect a heavy flood situation in Bangkok starting from next week which would occur from a massive volume of water coming from the North of Thailand together with high tide and possibly rain storm during the Thailand Open in October.

The Organizing Committee of the Thailand Open has now rescheduled the 2011 Thailand Open.

The new official program is : Arrival on the 4 Dec

Trap and Skeet practice the 5 Dec

Competition Trap and Skeet on the 6,7 and 8 Dec

Double Trap practice on the 9 Dec

Competition Double Trap on the 10 Dec

Departure on the 11 Dec

I'm sorry for inconvenience that may occur.

Best regards,

Bunnag
